William Shakespeare

The Greatest Dramatist

Young Shakespeare

- born April 23, 1564 in Stratford-upon-Avon as one of eight children
- his father was a respected tradesman
- he was brought up as an orthodox Protestant but he managed to remain open-minded and free-thinking
- England where he was growing up was known as Merry England because of its rich cultural life

- young William was a sensible observer
- he was eighteen and half when married eight years older Ann Hathaway, they had three children
- to develop his talent he went to London

Shakespeare's life and work

- he started as an actor
- he with his companions managed to win the patronage of the Lord Chamberlain, the company was made up of about dozen men, who also played the roles of women
- he made enough money for comfortable life
- he died on the day of his birthday in 1616
